Spark of Life Rehabilitative Program Resources

These therapeutically designed products are guaranteed to provide many hours of stimulating interaction that will boost self-esteem, rekindle the spirit and be a catalyst for rehabilitation. The Theme Activities are designed and hand made in Australia using top quality materials that make them unique and long-lasting.

The two Giant Dice have been developed to go hand in hand with the rehabilitative Theme Activities. Each Giant Dice is individually handmade with smooth rounded corners and is a precise enlarged version of a normal dice. These dice are designed to meet the special needs of people with dementia, visual impairment, arthritis, limited grip strength and Parkinson's Disease.

Spark of Life Vibrant Polos

Bring a Rainbow of uplifting colour to people with dementia in your service with our specially designed, colourfast and breathable polo's that feature custom woven rainbows collars and cuffs. .

The *Spark of Life* Vibrant Polos have been designed with bright colours to attract the attention and interest of people with dementia. In addition these polos actively stimulate the visual cortex, improves memory, facilitate spontaneous interaction and support a rehabilitative focus; making these polos an innovative choice as staff uniforms.

Our Polos are proudly 100% Australian made and manufactured.

Spark of Life Polos are available in eight bright colours including Red, Orange, Yellow, Green, Turquoise, Royal Blue, Purple and Pink.

The durability and 'wash-ability' of our polos have undergone rigorous professional testing at 40 degrees for over 120 washes to ensure it can stand up to the everyday use. Ranging from Size 6 to 26, we can also offer personalized embroidery for bulk orders of 20 uniforms or more (for an additional cost).
